This permit contains no agreement, consideration, or promise that a certificate of occupancy or certificate of compliance will be issued by the Town. A certificate of occupancy or a certificate of compliance will be issued only in accordance with the Town's planning requirements/code and building codes.

CLASS D MINOR

Application

This is NOT a building permit. Please contact the building department (970-453-3180) to determine if this project requires a building permit in addition to your Class D Minor permit.

The term of a Class D development permit (Six (6) Months) shall commence on the date of the issuance of such permit by the director.

Procedure:

1. Once a completed application and all accompanying material have been submitted, the Director shall review the proposal and within seven (7) days approve it with or without conditions, or deny it. In addition, the Director shall have the right within the same seven (7) days to reclassify any Class D application as a Class C and process it accordingly.
2. The Director shall then indicate the decision on the application and return it to the applicant.
3. All decisions shall be forwarded to the Planning Commission for its information only.
4. If the applicant agrees with the decision of the Director, he shall so indicate by signing the appropriate signature block on the application form; and if the decision was for approval, the application form shall become the development permit, and the applicant may proceed with his project after obtaining any other necessary permits.

Appeal:

1. A decision of the Director concerning a Class D application may be appealed by the applicant to the Planning Commission within five (5) days after the Director has rendered his decision by filing written notice with the Department of Community Development. If no appeal is filed within the five (5) day period, the decision of the Director shall be final.
2. If an appeal is filed, the application shall automatically become a Class C development permit application and shall be reviewed by the Planning Commission and Town Council under the provisions of Section 9-1-18-3 of this Chapter.
3. Appeals shall be in writing on forms provided by the Town. In addition, the applicant shall be responsible for paying any additional fees required for the review of a Class C item, over and above those fees already paid for review of a Class D application. (Ord. 19, Series 1988)
